

Peek at the Week

October 31st –

November 4th

What We're Learning!

"I CAN" Statements:

Math :

The first half of the week we will spend reviewing for our unit 2 test. We will be taking the test on Wednesday. We will have a short pretest for unit 3 on Thursday and will begin our unit on operations on Friday.

Reading: We continue to work on the following standards:

"I can determine the main idea of a non-fiction text."

"I can recount key details from a text and tell how they support the main idea."

Social Studies (Mrs. Ehrich):

Over the two weeks we will be learning about communities. We will learn about what a community is, what goes on in a community, and the differences and similarities between three types of communities.

handle
trouble
simple
people
middle
table
little
gentle
poodle
pickle

Challenge Words

agile
aisle
comprehensible
fickle
grapple
obstacle
throttle
miracle
muscle
scuffle

40 Book Challenge Update

Last week I met with your child to check in on their 40 book challenge progress for the year. Please remember to encourage your child to record every book they read this year on their recording sheet. My message to each student was to try a new genre during the month of November. We spent time together explore various titles they might be interested in. Thank you for supporting your child's reading life.
