

# News from Mrs. Eischens

September 19<sup>th</sup>-23<sup>rd</sup>

## What We're Learning!

**Math:** In math this week we will focus on more place value standards:

*"I can find up to 10,000 more or less than a given 5 digit number."*

*"I can round numbers to the nearest digit up to 10,000."*

**Reading:** Last week we spent time identify adjectives to describe a character. This week we will support our character traits with evidence from the text we are reading.

*"I can identify character traits using evidence from the text."*

**Science:** We will continue our unit on Matter. This week we will focus on how matter can change through physical and chemical changes.

## Spelling Words

Plurals: -s and -es

inches  
plants  
glasses  
wishes  
pockets  
lists  
bunches  
crashes  
pencils  
copies

### Challenge Words

pennies  
families  
bodies  
accidents  
libraries  
mysteries  
carpenters  
merchants  
parties  
supplies

## Dates to Remember

Tuesday 9/20- FAST Math Test

Friday 9/23- Homecoming Parade 1pm

Tuesday 9/27- Chip Shoppe Fundraiser Due

### Specialist

Monday- Art  
Tuesday- Media  
Wednesday- Phy. Ed.  
Thursday- Music  
Friday- Phy. Ed.
